

THE INTERNATIONAL SPECIALISTS WONDERFUL SUCCESS

People marvel at their enormous practice by far the largest specialty practice ever heard of in the southwest, but the reasons for this are plain and simple; Skill, the result of fifteen years practice in one line of work, uniform, reasonable fees and square dealings with all.

FRAUD IS SHORT LIVED---HONESTY AND SQUARE DEALINGS FLOURISH

During the past few years El Paso has had more than its share of frauds, fakirs, Medical Institutes and quack doctors, making great claims who flourished for a short time then closed their doors, leaving the public with an empty bag to hold, sadder but wiser, for fraud and deceit cannot continue for long while on the other hand, honest, skillful doctors continue making friends and scoring victory after victory over disease and gain the respect and confidence of all fair minded people.

The International Specialists offices are crowded daily by people who have been sent by others whom they have cured, and they are the best people of the City and State besides THEY HAVE TREATED OVER SIX THOUSAND HERE WITHOUT THE LOSS OF A SINGLE ONE, a little better record than the best can honestly lay claim to.

DISEASES OF WOMEN.

That hundreds of useless, dangerous and mutilating operations are performed daily upon the female generative organs, everybody knows to be a fact; then why should a sensible woman submit to an operation which often destroys these important organs and fails to give the relief they seek, when other simple, safe and sure methods of treatment such as we have perfected will give permanent relief. We always follow the principle to cure and preserve rather than to destroy important organs, in any diseased condition.

NERVOUS DISEASES.

A great many diseases, uncertain in their symptoms, but nevertheless causing severe impairment of the general health, can now be traced to a diseased condition of the NERVOUS SYSTEM. Not recognizing the REAL CAUSE of this class of patients, who, unable to find relief, were frequently driven into the arms of unscrupulous charlatans.

The careful and intelligent examination we give to every patient enables us frequently to find the cause a derangement of the Nervous System, which readily responds to the Specific Treatment we employ.

DISEASES OF MEN.

In the treatment of the Special Pelvic Diseases of Men, we have devised, developed and perfected remedies that have for years given perfect satisfaction. No other treatment, in our opinion is as effective, prompt and permanent in results. We have given particular time and attention to the treatment of all private diseases and weaknesses. It is not necessary to wait for months for results. Our remedies are applied directly and relief is prompt and permanent.

BLOOD POISON.

In the course of Specific Blood Poison the discovery of "608" has marked an important advance, yet its administration is dangerous and often followed by serious after effects. All these disadvantages have been overcome and this treatment developed into fullest efficiency in our BRITISH CURE. The BRITISH CURE is the highest perfection of all methods for the purification of the blood, requires for its administration but a few days, is absolutely harmless and painless and its results are complete and permanent.

RUPTURE RHEUMATISM.

Under the various "SPECIAL TREATMENTS" that are administered in our Institution, our non-operative Cure for Rupture, and our 30-day Cure for Rheumatism deserve special mention. These ailments have been treated heretofore without success, so that treatment that will positively effect a permanent cure should be welcome to the many disappointed sufferers of this class.

Rupture Varicocele Hydrocele Stricture CURED IN FOUR DAYS

These are four conditions that medicines never benefit and it is therefore useless to take patent medicines, Home treatment, Free trial treatments or wear electric belts.

We treat these troubles under a written legal guarantee of a positive and permanent cure, by methods practically painless and without detention from business.

Stricture can never be cured by cutting, sounding or stretching, but with our electrical absorbent method the canal is left perfectly normal and uncomplicated cases can be cured in four days.

PILES, FISTULA AND FISSURE cured by modern methods. We use no injection, ligatures or other painful measures.

IT WILL PAY ALL AFFLICTED MEN who have been wasting time and money on Home Treatments, Electric Belts, Free Trial Treatments and other useless methods, to investigate our claims and system of treatment. We do not claim to possess knowledge that other doctors cannot obtain, but, by making a special study of, and devoting our entire time and attention to the treatment of Chronic, Nervous, Blood and Private Diseases, we have perfected methods that are every day proving our superiority in mastering these afflictions. It will pay one to come hundreds of miles rather than subject themselves to dangerous experiments and delay in securing relief. REMEMBER IF WE FAIL TO DO ALL WE CLAIM OUR SERVICES COST YOU NOTHING.
